

Mozaico Expression Colour Chart

Mozaico Expression is an epoxy resin based seamless terrazzo style flooring with an environmentally aware mirrored and clear glass finish. Available in 8 exciting and fresh colours as standard, Mozaico Expression is designed to give an inspired and creative slant on flooring installations for the commercial market.

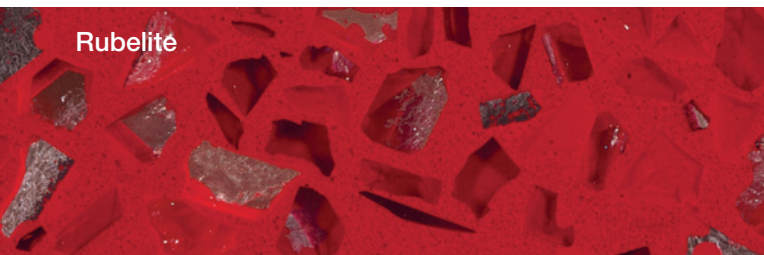

As each piece of recycled glass and mirrored glass is different and a multitude of colour ways are available as part of Resdev's bespoke colour service, in addition to the standard colours, the customer can be assured that every finished floor is unique.

Some colours in some systems can be affected by UV light over time. Non standard colours are available on request. The colours shown may differ from the original product due to reprographic and technological media variations. The same colour in different products may also vary due to the composition and texture of the final finish. If colour and final aesthetics are of concern, please contact us to request an actual sample of the colour and system required.
